Money

- Playoffs work how Yahoo does them, not how we used to do them. Specifically, the last place game takes place on the last week of the season, not the second to last week.
- Buy-in is \$40/person. Last place pays an additional \$10.
- Payouts are:
 - First place: \$130
 - Second place: \$80
 - Third place: \$40
 - Last place: -\$10
